

TODAY IS YOUR DAY

TODAY is your day! Take a step towards your goal ... even if it is a small step. Forget the former things. Do not dwell on them. TODAY you are WONDERFUL! No matter what others have said or are saying ... you are WONDERFUL! You must believe in yourself. This is God's will concerning you. This is the confidence that we have when we approach God; that if we ask anything in His name, He will hear us. And, if we know that He hears us, whatever we ask, we know that we have asked of Him. (I John 5:14-15) Talk to God because He wants to hear what you have to say. Cast your cares on the Lord and He will sustain you; He will never let the righteous fall. (Psalm 55:22).

The Joy of the Lord is our strength. His joy is what will hold us up when we let go of some of our friends and acquaintances that mean us no good. Friendships that don't brighten our day. We cannot bond, build or give God more if we are not associated with the right people.

TODAY is your day to rejoice in the Lord and think of His goodness. God has turned so many of our trials into triumphs. Stuff will always happen but we must continue to make it our day. In spite of what's happening TODAY is the day that we must praise God. Yesterday is gone and tomorrow is not promised. Therefore, TODAY is your day to say, "thank you, Lord!" TODAY is your day to say, "I love you Lord." TODAY is your day to say, "What a mighty God we serve."

**TODAY is your day to love who you are and to know that God is working on your behalf to perfect everything that concerns you. Many women see flaws in themselves. Therefore, they don't even love themselves. It can be challenging at times to believe God loves you when at the same time you are aware of your shortcomings. Your past. Your unforeseen future. Your enemies. However, when we accept who we are and love who we are ... blessings follow. TODAY is your day to pick up the pieces of your life that the devil tried to destroy and pat yourself on the back and say
"He loves me TODAY!"**

Every day God gives us the trust, courage and strength to accomplish the things that He has assigned to our hands. TODAY is your day to stop living your life in the shadow of others. Stay responsible for your own spiritual life. Pray without ceasing. Be led by the Holy Spirit. Let God in so He can perform His best through you. You were chosen and you are gifted by our Lord and Savior, Jesus Christ.

You can move on TODAY. You can pray TODAY. You can be whole TODAY. You can love TODAY. You can forgive TODAY. You can start over TODAY. You can defeat the devil TODAY. You can smile TODAY. You can laugh TODAY. You can call a friend TODAY. You can read the Word of God TODAY. You can sing a song of joy TODAY. You can be like a tree planted by the river of water TODAY ... you will not be moved! (Psalm 1:3) You can prosper TODAY. You can forget about what happened yesterday, TODAY! You are a living testimony TODAY. You can dream TODAY. You can be inspired TODAY. TODAY is your day to make wrong, right!

TOMORROW will not be TODAY - Therefore, TODAY is your DAY to live for Christ! To be happy. To keep expectations high. To refrain from envy. To accept pain and disappointment as part of life. To be courteous to everyone. To be honest. To say "I'm sorry." To say "thank you." TODAY is your day to be friendly. TODAY is your day to remember those who love you.

TODAY is the day to say "thank you, Lord. You've been so good. You made a way. I just want to say, thank you, Lord." TODAY is the day that we must give our problems to God. We must stay focused on God because He is our defense in every situation. TODAY is the day to thank God for our victories. Confidence in God TODAY is a result of victories we won yesterday.

TODAY is the day to get God's attention. TODAY is not the day to mess up what God has fixed up. It is so tragic when we, as Christians, allow the devil to steal our joy. Not TODAY! Don't be sidetracked TODAY. Resist temptation TODAY. Let God design your life TODAY. Ask God for wisdom TODAY. Be honest with God TODAY. Stop harboring that grudge TODAY. Make God

“first” in your life TODAY. Get physically, emotionally and spiritually in shape TODAY. Surround yourself with positive people TODAY. Be happy TODAY. Believe in “yourself” TODAY.

TODAY IS YOUR DAY to make your life a SERMON ... to live a life pleasing to God ... “This is the day that the Lord has made; we will rejoice and be glad in it.” (Psalm 118:24) The Lord’s Prayer tells us to “give us this day our daily bread ... Praise Him TODAY!!!
